## Parents Disapprove Room Visitation at U. of I.

The controversial co-educational room visitation program, to be instituted at the University of Illinois when the second semester begins Feb. 8, and other campus issues, were aired Thursday evening during a special session at Coolidge Junior high school.

Panelists included four members of the newly-organized University of Illinois Student Speaker's Bureau. Several faculty members, administrative personnel and graduate students accompanied the group here and participated in a lively question and answer period with parents and others in an audience of about 50 persons.

Student panelists speaking favorably about the room visitation program which is to start on an experimental basis for a limited time, followed by an extensive evaluation by administrative personnel, were questioned by parents who expressed disapproval of the plan.

One parent noted that unless residence rooms are not equipped for entertaining guests, as furnishings include only a bed and chair. Answering the comment, a panelist explained the dormitory room is the student's home and not regarded as a bedroom, but his living quarters. "The bed always doubles as a couch and is used accordingly until retirement," the student said.

"Maturity is Goal" Admitting that "some people never do mature," one panel member said it is hoped the program will enable the undergraduate to head toward maturity, teaching the student greater responsibility and consideration toward others.

It was learned that a final vote by secret ballot of all students living in university housing, plus formal approval by Chancellor Jack W. Peterson, is required before the program can be officially initiated next month.

Other aspects of University of Illinois campus life discussed at Thursday's meeting, including the Volunteer Ili Project (VIP) that involves 1100 undergraduate students concerned about people less fortunate. The program stresses tutoring teenagers and encouraging them to continue their high school studies and visiting nursing homes, mental institutions and similar facilities to provide services.

The student panelists noted the radical activist student group at the U. of I. campus comprises approximately 3% of the student body.

They also reported under a curriculum revision, future Illinois students will not be required to have a foreign language to graduate, but may take an alternative course in culture or enrichment. Other new courses to be added to the university's curriculum this year also were described.

One local parent commented that it appeared the program agenda was contrived to permit little time for general discussion and questioning about the disputed visitation plan.

It was 9:45 p.m. before the subject of visitation came up and the program was to conclude at 10 p.m. Those in attendance did not vacate the school building until almost 10:30 p.m.

**Mattoon Meeting** A representative student group recently participated in a similar discussion program at Mattoon, Ill., where more than 250 persons displayed extreme hostility toward the housing visitation plan, with the meeting erupting into a shouting match. "I guess they don't want anything like that to happen here," the parent commented.

Prior to the public session the student panelists and other guests were entertained at a pot luck dinner in the Coolidge JHS cafeteria by the Granite City Area PTA Council, sponsors of the public meeting. Thirty-five attended.

Panel members were Joan Schneider, Streator, Ill., who participates in activities of Youth-United Illinois Projects; Pat Johnson, LaGrange, Panhandle past president; Al Parsons,

## Police Chiefs Seek U. S. Planning Funds

The Madison-St. Clair County Police Chiefs' Association is planning to file an application for federal funds totaling \$106,479 under the Omnibus Crime Control Act.

Illinois was allotted \$833,050 of a total of \$10 million appropriated by Congress for this fiscal year, and about \$500,000 is to be made available to local planning units.

With the limited funds available, the association felt that it would be meaningless for individual cities here to request grants. The deadline to file the application is June 30.

The association is seeking endorsements of the city and county governments in the area, and Granite City Police Chief Veizer is planning to present a short resolution endorsing the joint application to the city council here at its meeting tonight. If granted, the cities will provide 10% matching funds which could be listed as services and facilities.

According to the application, the funds would be used in four planning areas:

a computerized bi-county central identification, records and communications center; in-service police training and education; a community relations program; and a research and development program to upgrade and revitalize law enforcement to a professional stature.

## Studies On Area Needs To Be Completed by RUD

The citizens advisory committee to Southern Illinois University-Southwestern campus Regional and Urban Development Studies and Services office (RUD) will meet Jan. 27 at the campus.

The 6:30 p.m. meeting will be held in the University Room of the University Center. Carl Mathias, local area manager for Illinois Power Co., is a member of the board.

According to William Tudor, director of RUD, an analysis of a collection of studies dealing with area developmental needs will be presented.

"It is possible," according to Tudor, "that this committee may come up with some suggestions on priority needs for RUD."

Members of the citizens committee were selected on the basis of population centers in the Madison-St. Clair counties area and on the individual's knowledge of the problems of this area and past cooperation with SIU-SW in joint university-community ventures.

Other board members are: Ford G. Gower, Belleville; George Gregory, East St. Louis; Earl Jukes, Collinsville; Raymond Rogers, Edwardsville; Walter Thomas, East St. Louis and Robert Yeates, Alton.

## U. S. Budget Sets Up \$200,000 For Hillside Drainage

A fund of \$200,000 for planning work on the long-standing Hillside Drainage project in Madison and St. Clair counties is included among flood control items of the President's new budget, Cong. Melvin Price (D-East St. Louis) announced Friday at Washington.

Price said the \$200,000 is included in a \$12 million overall budget for flood control and navigation projects.

"I am especially pleased by the approval of planning funds for the Hillside project," Cong. Price said. "On it hinges the development of significant recreational, residential and commercial opportunities for our area residents. It has been a long struggle and we have a long way to go."

The Hillside Drainage project has been estimated to cost \$12 million, requiring a local sponsoring share of about \$5 million. Illinois officials spearheaded by former Gov. Samuel H. Shapiro accepted state sponsorship of the project.

Richard B. Ogilvie, who took office Monday, since he pledged himself and the state to full support of the project.

**Expect Appropriation**  
State sponsorship is expected to result in appropriation of funds as the local sponsors share of the project during the current session of the 76th Illinois General Assembly.

Cong. Price said the President's budget of flood control items includes \$11 million to continue construction of the Kaskaskia Navigation project which will open the Kaskaskia Valley to rapid industrial and economic development.

Another \$1 million is contained in the budget for the Mississippi river regulating works program which maintains the 3-foot depth channel between the Missouri and Ohio Rivers.

The Wood River Drainage and Levee District interior flood control project is scheduled to receive \$31,000 to complete project planning if the budget request is approved.

All of the budget items are scheduled for the 1970 fiscal year.

## Scuba Diving Course Starts Feb. 5 at Y

An opportunity to become a qualified scuba diver before the start of the 1969 summer season will be offered a real residents by the Granite City Bubblemasters Scuba Diving Club through a nine-week course in skin and scuba diving, beginning Wednesday, Feb. 5, at the YMCA.

Neil Winters, newly-elected Bubblemaster president, today announced that techniques of both skin and scuba diving will be taught by certified instructors in a series of lectures and pool work.

Nine sessions, each consisting of three-to-four hours, will be conducted on consecutive Wednesday evenings at the local "Y," during which individuals can gain knowledge and the practical skills needed to become qualified divers, the club official said.

The entire course, based on National YMCA scuba training standards, is geared towards providing the novice diver with instruction in safe diving procedures, as well as the necessary skills, Jack Atkinson, course instructor and coordinator for the club said this week.

All equipment, text books and incidental materials required in the course will be furnished by the local scuba club, Atkinson said, adding that the number of students accepted for instruction will be limited. A minimum age limit of 16 years, with parental consent, has been set, and prospective students are required to be competent swimmers.

Interested men and women may register at an orientation meeting set for 7 p.m. Wednesday, Jan. 29, at the YMCA, or in advance of that date at the YMCA reception desk. Additional information may be obtained by calling Atkinson at 877-9698.

## Last Rites Tomorrow For Pfc Tessaro, 23

Funeral services will be held tomorrow in Edwardsville for Army Pfc Michael John Tessaro, 23, son of Mr. and Mrs. Michael Tessaro of Rural Route Four, Edwardsville, formerly of Granite City, and husband of Mrs. Connie L. (Schmidt) Tessaro, 217 Cass avenue, Edwardsville. Arrangements are given in today's obituary column.

Pfc Tessaro died Wednesday, Jan. 8, in a military hospital in Vietnam of wounds suffered in action. He had observed his 23rd birthday two days earlier.

The serviceman entered the Army last May and was assigned to Vietnam three months ago. Before joining the service the soldier was employed at Shell Oil Co. While a resident here he attended Webster grade school. He was graduated from Collinsville high school.

Other survivors include a sister, Mrs. Rose Ann Bergrader, 2812 Buxton avenue; a brother, Larry Tessaro, at home; and his paternal grandmother, Mrs. Rose Tessaro of St. Charles, Mo. He was a grandson of the late Mrs. Elizabeth Short.

ENGAGED, Miss Carol Rogers, whose betrothal to David G. Boyd, a son of Mr. and Mrs. Max Boyd, of Route Two, Collinsville, is announced by her parents, Mr. and Mrs. Marlin Rogers, 2260 Iowa street.

## Miss Rogers Is Engaged

Among the many engagements announced since the holidays is that of Miss Carol Rogers, a daughter of Mr. and Mrs. Marlin Rogers of 2260 Iowa street, and David G. Boyd, whose parents are Mr. and Mrs. Max Boyd of Route Two, Collinsville.

A mid-summer wedding is planned to take place at First Assembly of God Church in Granite City.

The bride-to-be was graduated from the local high school in 1946 and is presently employed in St. Louis.

Mr. Boyd attended the Collinsville schools and will graduate from the University of Illinois this summer. He is majoring in political science and after his graduation will enter military service at a second lieutenant in the U. S. Army.

## LYDIA CLASS MEETS AT ADAMS HOME

Mrs. Betty Jo Rains and her sister, Mrs. Dorothy Adams, entertained the Lydia Class of Third Baptist Church Thursday evening in the Adams home, 4082 Sara avenue.

Mrs. Vera Kirkpatrick led the devotional service on the topic "God Never Lets Us Alone," and Mrs. Mildred Popilchak offered prayer.

A business discussion was led by the president, Mrs. Betty Smallie, and a report was made of 12 hymnals and an accompanist book presented to the Anchorage Bible Study Group. A card from the teacher, Mrs. Eileen Fitzgerald, was read thanking the class for a Christmas gift, and "Happy Birthday" was sung to one of the members.

Mrs. Fitzgerald reviewed the Sunday school lessons, "Development of Missions in the New Testament" for the coming month and the names of missionaries having birthdays Jan. 16 were read and a special prayer was offered for them.

Games were in charge of Mrs. Ruth Dowhitt, and prizes were awarded to Mrs. Opal Wilson, Mrs. Lois Guyman and Mrs. Popilchak. Guests for the evening were Mrs. Mina McBrien and Mrs. Guyman.

The hostesses served a dessert, and plans were made for the next meeting in the home of Mrs. Smallie, 3241 Aubrey avenue.

MRS. JAMES J. FEHNER, a bride of Saturday. Before her marriage at St. Elizabeth Catholic Church, she was Janice Marie Fryntzko, a daughter of Mr. and Mrs. Andrew Fryntzko, 2545 Boyle avenue.

## Miss Janice M. Fryntzko Is Bride of James Fehner

St. Elizabeth Catholic Church was the scene of the wedding Saturday of Miss Janice Marie Fryntzko, a daughter of Mr. and Mrs. Andrew Fryntzko, 2545 Boyle avenue, and James J. Fehner, whose parents are Mr. and Mrs. Leo Fehner of East St. Louis.

The Rev. Lawrence Mattingly officiated at the noon ceremony before the altar adorned with white gladioli and chrysanthemums. White bows marked the pews along the center aisle.

Escorted by her father, the bride wore a gown of antique satin with a beaded Empire bodice and long sleeves. A crown of Stephanotis held in place her shoulder and cathedral-length veil and she carried a traditional bouquet of white orchids, roses and carnations.

Mrs. Dolores Hauptman, matron of honor, and Miss Dorothy Fryntzko, a sister of the bride, Miss Kathy Synisk, and Miss Col Fehner, the bridegroom's sister, were bridesmaids.

They were dressed alike in full-length Empire gowns of Burgundy velvet with ecru lace and rose bud trim on the bracelet-length sleeves. They wore Burgundy bows in their hair to secure full-length veils and carried bouquets of roses and carnations tied with Burgundy ribbon.

A little flower girl, Nancy McClew, niece of the bride, carrying a white basket of multi-colored petals and pink carnations, was dressed like the older girls. A nephew of the bride, Bobby McClew, was ring bearer.

James McEvilly was best man for Mr. Fehner, and Kenneth McCoy, David Cerny and Barry O'Sullivan served as groomsmen and ushers.

Mrs. Fryntzko, the bride's mother, was attired in a costume of blue while the bridegroom's mother selected a dress of green. Both wore matching accessories and corsages.

A reception was held at six o'clock at the American Legion Hall in Venice. The newlyweds will reside at 2449 Cleveland blvd.

The former Miss Fryntzko was graduated from the Grady School of Laboratory Technique and is presently employed at St. Joseph's Hospital in Alton.

The bridegroom is employed in St. Louis and is attending classes at Southern Illinois University-Southwestern campus.

## PEO to Observe 100th Anniversary

Chapters HT and Ku of the P.E.O. Sisterhood, with other chapters from Belleville, Collinsville, East St. Louis and Edwardsville, will meet tomorrow at The Roundtable restaurant, Collinsville, to commemorate the 100th anniversary of the founding of the P.E.O. Sisterhood.

These chapters comprise the Metro-East Round Table of which Mrs. Elva King of Belleville, is president. Mrs. Dorothy Kerch is president of HT and Mrs. Lee Schaefer heads KU chapter.

Registration will begin at 11 a.m. After luncheon there will be a memorial hour under the guidance of Chapters HT and KU. The day's program will be presented by Chapters CT and IK.

This year is a special year for P.E.O. for it was founded 100 years ago as a college sorority on the campus of Iowa Wesleyan College, the two local chapter presidents said. Since that time it has grown to more than 4200 chapters in all 50 states and Canada, with about 165,000 members.

Its purposes are charitable and educational and it is represented by:

Cotter College, Nevada, Mo., founded in 1884 which has been owned and supported by the P.E.O. since 1927. It is a fully accredited liberal arts two-year college for women and foreign students attending lend an international atmosphere. The Sisterhood voted in 1967 to double its financial support of the college. A building program is under way, and the faculty is being enlarged.

International Peace Scholarships. This project, started in 1949, is an expression of the P.E.O. belief that education is fundamental to world peace and understanding. Voluntary contributions are made for scholarships for women from foreign countries to study in colleges in this country and in Canada. These students return to their homes to serve their own people.

Educational Fund: This fund was the first project adopted by the Sisterhood in 1907. It is a revolving loan fund with more than one million dollars used to assist women attain higher education.

The P.E.O. Foundation: The foundation is a way for individuals and corporations to make non-taxable contributions in support of the educational and charitable projects of the organization.

## Miss Cochran, Gary Vargo Exchange Wedding Vows

Miss Karen Kaye Cochran, a daughter of Mrs. William A. Cochran, 1718 Edison avenue, and Gary Allen Vargo, a son of Mr. and Mrs. William V. Vargo of Detroit, Mich., were married Saturday afternoon at First Baptist Church.

The double-ring ceremony took place at 2 o'clock with the Rev. Edward Hamilton officiating. Red poinsettias and pink carnations decorated the church and a program of wedding music was furnished by Mrs. Jewel Everett, organist, and Mrs. Dwayne Adkerson, vocalist. The latter sang "True Love" and "Wedding Song."

The bride was given in marriage by her brother, Ernest A. Cochran of Collinsville. She wore a gown of pure white silk organza fashioned with a high wedding band neckline of Chantilly lace edged with pearls. The lace was repeated on the bodice and in the long bishop sleeves.

A detachable train fell into a full sweep with lace motifs. The train was attached with a satin wreath and a modest veil covered the bride's face. She carried a bouquet of tiny white rose buds and lilies of the valley tied with powder blue ribbon.

The bride and her brother were preceded down the aisle by a maid of honor, Miss Molly Jo McDaniel, and three bridesmaids, Miss Beth Cochran, a niece of the bride, Miss Amanda Mason, and Miss Heidi Ann Mason. They were dressed alike in gowns of white chiffon with high rounded necklines of bugle

beads. The beading extended into the yokes of the long flowing gowns which were sleeveless. They carried bouquets of red roses and pink and blue carnations with ribbons of pink, green, blue and red. Their headpieces were pink and green veiling attached with pearl spray combs.

Little Sarah Faye Mason was flower girl. She was dressed in a red velvet Empire dress trimmed with lace and matching lace sleeves. A headpiece was made of a red velvet bow and pink and white veiling. She carried a basket of pink carnations. Gary Jones was best man for Mr. Vargo, and Jim Cochran, Ernest Cochran, Eugene Cochran and Gary Jones served as groomsmen. Scott and Mark Mason were ushers.

For her daughter's wedding Mrs. Cochran wore an aquamarine crepe dress with a powder blue over dress of chiffon. Her flowers were a corsage of pink lilies and white rose buds.

A reception was held at the church directly after the service with Miss Brenda McDaniel in charge of the guest book. A dinner followed for the families in the home of the bride's brother-in-law and sister, Mr. and Mrs. Willie C. Mason.

The newlyweds left later for a honeymoon in Key West, Fla. The bride was graduated from the Granite City high school and attended SIU-SW for two years, studying for a degree in art. She was also a member of the Art Club at the university. Mr. Vargo was graduated from a Detroit high school and has studied interior decorating and color arrangements, specializing in carpeting service.

He attended Michigan State University for one year and was formerly in the carpet business in Detroit.

Among the out-of-town guests here for the wedding were the bridegroom's parents, Mr. and Mrs. William V. Vargo of Detroit.

The rehearsal dinner was given Friday evening at the home of the bride.

## Club to Hold Valentine Party

Mrs. Lucille Pierce, president, was honored with a birthday cake on her birthday as the secretary, Mrs. Jessie O'Day.

The club discussed arrangements for Feb. 6, when a Valentine party will be held, with Mrs. Gert Heintz to serve as chairman.

On March 6, a white elephant sale will be held, with Mrs. June Fritz as chairman. A radio show will be visited in April, with Mrs. Pierce to serve as chairman.

A vote was taken to accept two new members, Mrs. Marie Oglesby and Mrs. Billie Bagl. Table prizes were won by Mrs. Ruth Kinder, Mrs. Heintz, Mrs. O'Day, Mrs. Pierce and Mrs. Mildred Hays.

A reminder was given that the club will be meeting twice monthly now, on the first and third Thursdays at the Grand Cafe annex. The next meeting will be Feb. 2.

## Songfest for Sr. Citizens

The YMCA Senior Citizens held a monthly covered dish luncheon Friday at the "Y" with 28 members and one guest present.

Special guests were Miss Letitia Marmion, "Miss Granite City," Miss Carolyn Jenkins and Gene Richardson.

Miss Marmion and Mr. Richardson sang a duet, "How Great Thou Art," and the former sang "I Believe" and "My Cup Runneth Over." They also led the group in several songs, accompanied by Miss Jenkins who also gave highlights of her trip to Mexico in December with the Mission to Mexico group which included 29 young people from Illinois and 85 from California.

The next meeting of the Senior Citizens will be held Friday.

## Tent 90 of DUV Installs; Mrs. Mohrman is President

Sarah Jane McEvers Tent 90, Daughters of Union Veterans of the Civil War, held an installation of officers Thursday evening in the recreation room of The Anchorage.

Those installed were Mrs. Golda Mohrman, president; Mrs. Jean Barnes, senior vice-president; Mrs. Nan Shyne, junior vice-president; Mrs. Bertha Berry, chaplain; Mrs. Sylvia Turner, treasurer; Mrs. Augusta Munsterman, Mrs. Betty Millwee, and Mrs. Lucy O'Neill, first, second and third council members; Mrs. Gussie Cheatham, patriotic instructor; and Mrs. Pearl Ward, secretary.

## Miss Earlyne Schiber and Jesse J. Hornbeak are Wed

The wedding of Miss Earlyne Schiber and Jesse J. Hornbeak took place Saturday morning at St. Margaret Mary Catholic Church.

The bride's parents are Mr. and Mrs. Earl Schiber, 2809 Lincoln avenue. Mr. Hornbeak is a son of Mr. and Mrs. Milburn Hornbeak, 3512 Bellevue, Centreville, Ill.

The Rev. Gerald McCaughen heard the vows of the couple at 11:30.

Mrs. Richard Greenhill, soloist, was accompanied at the organ by Phil Spence, who played the wedding marches.

Given in marriage by her father, the bride was attired in a gown of pure white peau de soie and lace in the new romantic look. The bodice, ruffled with Val lace, had a scoop neck and puffed sleeves. The waistline was banded with lace and accented with a large sash.

The front hemline was lifted to reveal lace, while the back fell into a full sweep train chapel-length.

A tearful bouquet of white carnations and lilies of the valley was carried by the bride, and a forward headpiece of lilies of the valley held in place a tiered veil of bridal illusion.

Miss Christine Schiber, served as bridesmaid.

They were dressed alike in ruby red velvet featuring scoop necklines and long sleeves with ruffle trim shadowed with lace. Wide satin panels fell from the back to the hemlines of the long A-line skirts. Matching satin headpieces had tiny veils and they carried white fur muffs trimmed with red roses and red satin streamers.

Sherry Towley and Terry Towley Jr., niece and nephew of the bridegroom, served as flower girl and ring bearer. The former wore a bright red velvet dress trimmed with lace and carried a small white fur muff to which was attached red roses and ribbon.

Thomas Hornbeak, the bridegroom's brother, was best man, and Terry Towley, brother-in-law of the groom, Verlan Fietz, uncle of the bride and Richard Greenhill, made up the list of groomsmen and ushers.

For her daughter's wedding Mrs. Schiber chose a turquoise A-line sheath dress with a matching lace coat and accessories in the same shade of blue. The bridegroom's mother was in yellow with brown accessories. Both had white carnation corsages.

The wedding reception was held at the American Legion hall with Misses Dolores Ruder and Mary Kula in charge of the guest book.

The newlyweds will live at 2214 Washington avenue. The former Miss Schiber was graduated from Granite City high school. Mr. Schiber attended East St. Louis schools. Both are employed in St. Louis.

## Mat Sophs 6th in Own Tournament

The GCHS sophomore wrestling team placed sixth in its 12th annual invitational tournament here Saturday.

Reviewing the meet with 75 points, followed by McClellan with 68, Northwest 53, Riteonor 52, Wood River 34, Granite City 22, Belleville East 11 and East St. Louis, 9.

The Warriors had two bronze medal winners — Rick Wicka (145), who won 6-3, lost 6-3 and then won third place with a 4-1 decision, and Jeff Parker (180), W 1-30, L 3-36 and W 4-0.

Other GCHS wrestlers were Brad Cross (95) W 2-4, L 1-49; L 7-2; Mike Garland (103) W 4-1, L 2-4, L 7-4; Mike Polley (112) L 5-6; Keith Rogers (120) W 4-58, L 11-4, L 2-4; Tom Eaton (127) W 2-44, L 4-2, L 7-4; Cliff Yeager (135) on referee decision; Rick Sajak (138) W 4-33, L 5-59, L 4-2; Bruce Hawkins (154) W 7-54 (overtime), L 13-2, L 5-4; Ken Simon (165) W 7-2; Mike Johnson (heavyweight) W 3-02, L 1-30, L 3-1.

### Fire at Eagle Park

Venice firemen, aided by Madison firemen, were fighting a house fire at the corner of Allen street and Harrison avenue in Eagle Park Acres early this afternoon. The alarm was received at 11:21 a.m. The house was a two-family residence and, according to neighbors, was occupied by the family of Jerry Wiley.

## GCHS Adds Dupo Title to Its Cage Laurels

Gary Simpson paced the Granite City high school Warriors with 35 points Saturday evening as the local squad captured the championship of the Dupo invitational basketball tournament by downing Jerseyville 78-60. Simpson also set a new tournament record by scoring 32 points in three games.

The two teams had been favored to reach the final showdown, and quite a game it was. The Panthers took off on a 17-1 scoring spree before the Warriors managed to start hitting the boards. But it wasn't inside shots that Jerseyville was hitting; the Panthers often were drilling the net from better than 30 feet out on first shot attempts.

Cold getting started, GCHS soon warmed up but took a while to catch up. The Warriors trailed 22-12 and 44-39 after the first two periods before leading 58-37 entering the final quarter. Simpson began to hit and John VanBuskirk, Rich Hutchings and Steve Harris began getting important rebounds and holding the Panthers to one shot.

Simpson, VanBuskirk and Harris helped by stealing the ball, forcing bad passes and drawing fouls when the Jerseyville rushed its plays or made mistakes. Hutchings planted himself under the Warrior basket to score on tip-ins and lay-up shots.

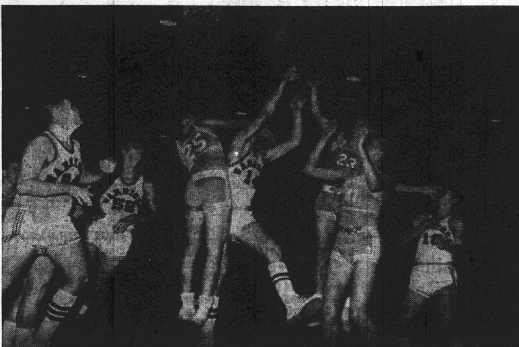

The Warriors and Panthers both used a strong, full-court defensive press.

Outside vs. Inside Strategy

The Panthers played their offensive plays from the outside of the press, but GCHS was able to win in closer.

Jerseyville shot 73% in the first half and made 10 of 10 free throw attempts. The Warriors had shot 51% in the first half, including a 39% mark in the first quarter.

The Warriors led the Panthers 39-10 in rebounding, headed by VanBuskirk with 10, Harris and

### TOURNEY CHAMPION

SHIP is shown being won at Dupo by GCHS Saturday night. The Warriors topped Jerseyville 78-60 in the title game. The top scene includes Warriors John VanBuskirk (54), Rich Hutchings (52), Dave Melzer (14) and Steve Harris (10). In the lower picture, Harris snares a rebound and Melzer is nearby to help.

Hutchings had eight each, Simpson seven and Melzer five.

Pointmakers included Melzer 13, VanBuskirk 13, Harris 10, Hutchings six and Roger Belsho, one.

For the game, the Warriors shot 54% from the floor in comparison to 67% for the Panthers. The losing squad sank 13 of 14 free throw attempts for the game.

Consolation championship game by downing Freeburg 65-52 Thursday and then outdistanced Venice 78-59 Saturday. Dupo took third place over Roxana, 61-55.

The Venice Red Devils' bid for the consolation title was doomed by the Triad Knights' height advantage and outside shooting skill.

Venue trailed 20-11, 44-27 and 63-41 at the quarters.

Coach Bill Ohlendorf said, "We got off to a slow start and couldn't catch up. We had a lot of trouble penetrating their defense, and had trouble with turnovers."

Cedric Gardner led the Red Devils with 23 points. Fessor Gray had 13, Doug Johnson nine, Robert Coleman six, Marvin Hoult five, Harold Gontenman two and Dwight Kutz, one.

The Venice Red Devils outdistanced Waterloo 75-68 Friday to advance to the final game of the Consolation bracket to play against Triad.

In the opening round of competition earlier in the week Triad lost to Granite City for its only loss and the Red Devils lost to Jerseyville for the only loss.

Fessor Gray, who has been playing under par because of an injured elbow, was back in style against Waterloo breaking two tournament records making 18 field goals and 8 free throws for a total of 44 points.

The Red Devils came from behind the first quarter 20-19 to lead at the half 38-30 and then held Waterloo to 14 points in the third quarter 69-50.

Coach Bill Ohlendorf commented "We came out the second half and played a lot better defensive ball. We stole the ball a few times and forced them to make more mistakes."

"Actually, both teams played about the same game. We played man-to-man and then used a fast breaking offense."

Unlike many times this season, the Red Devils controlled the boards and got the extra shot while preventing many second shots by Waterloo.

The Red Devils also managed to contain the Waterloo's high scorer to 15 points and did not let him break loose. "We held Dennis Cane to eight points the first half, and then he didn't score more than three the third quarter. He is their main offensive man, setting up plays and making them work," Ohlendorf noted.

Other Red Devil scorers were Cedric Gardner, 18, Doug Johnson four, Marvin Hoult five and Robert Coleman three each. Andre Johnson two and Bill Kutz one.

The other game Friday evening in the winners bracket found Jerseyville downing Roxana 87-61 to advance to the finals against Granite City. It also matched Roxana against Dupo for third place.

## Matmen Defeat Three Strong Foes in Meet

The Warrior varsity wrestling team continued its victory streak Saturday evening, winning a quadrangular match against McClellan, Hazelwood and Normandy at Hazelwood high school.

GCHS totaled 86 points. McClellan, the defending Missouri state champion, was second with 79, host Hazelwood scored 72 and Normandy 55.

The night before, the Warriors had downed McClellan in a dual meet at GCHS and earlier this season the Warriors beat Normandy in a dual meet.

The Warriors will face Hazelwood in a dual meet Jan. 31.

The Warriors had four champions—Bob Miller (103) W 3-6,

W 7-3; Rick Smith (164) W 1-37, W 3-1; Tim Wallace (165) W 5-02, W 4-2; and Bob Pates (180) W 3-30, W 3-20.

Second-place finishers were Steve Ferguson (130) W 5-57, L 7-0; Mike Christopher (127) W 4-0, L 12-4; Fay Burcham (133) W 6-2, L 3-4.

Other Warrior wrestlers were Bruce Miller (95) L 2-42, W 11-0; Al Bridgeman (112) L 5-4, W 5-44; Tom Niebur (138) L 9-8, W 9-3; Alex Tarpo (145) L 4-0, W 5-2 and Mark Mizerski (heavyweight) L 4-3 and 6-5.

The Warriors will host Southwestern Conference rival Wood River at 7:30 p.m. Friday and then host Belleville East and Roxana at 1 p.m. Saturday.

## Trojans Top Bethalto, Enter Belleville Meet

The Madison high school basketball team, 61-57 victor over Bethalto here Friday night, is one of eight squads in the first annual Belleville East invitational tournament starting tomorrow and running nightly through Saturday.

Contests Tuesday will be between the Trojans and host Belleville East, between Belleville West and Breese Mater Dei at 8:30 p.m.

Page added, "We got ourselves into foul trouble early in the game and had two of our starters foul out."

"In the fourth period, it looked like we started falling apart and made seven straight turnovers. They cut the lead at one stage to three points. I guess that I can be happy that we didn't have another minute to play."

Scoring for the Trojans were Ed Hager 17, Oscar Hagler 12, Tom Noel nine, Dave Hutchison six, John Harper six, Howard Harper four, Jim Scott four, Alton Watts two, Joe Dozier one.

MHS sank 15 of 22 compared to 15 of 25 for the losing squad. The big difference was in rebounding, with the Trojans getting many second and third shots. Page said, "During the first quarter, they made only three field goals; the rest of their points were scored on free throws."

Quarter Madison leaders were 16-12, 35-25 and 51-38.

Page added, "We got ourselves into foul trouble early in the game and had two of our starters foul out."

Scoring for the Trojans were Ed Hager 17, Oscar Hagler 12, Tom Noel nine, Dave Hutchison six, John Harper six, Howard Harper four, Jim Scott four, Alton Watts two, Joe Dozier one.

The first round will be completed Wednesday when Alton plays O'Fallon at 7 p.m. and the Belleville Allotoff Crusaders meet Cahokia at 8:30 p.m.

Semifinals Thursday

The third night of competition will find the losers of Tuesday's games playing at 7 p.m. and the Tuesday winners clashing at 8:30 p.m.

On Friday evening, semifinals will end with Wednesday losers meeting at 7 p.m. and Wednesday winners at 8:30 p.m.

Saturday's games will start at 1 p.m. for consolation third place, 2:30 p.m. for the consolation title, 7 p.m. for the tournament third place and 8:30 p.m. for the championship game.

Teams expected to make a strong showing in the tournament include Alton, Cahokia, Allotoff, Belleville East and MHS.

Earlier this season, Madison lost to the Lakers 52-42. Alton beat O'Fallon 71-55 and Cahokia beat Allotoff 53-44.

Entered at Edwardsville

Madison Coach Bob Page also reports that the Trojans will be entered in the second annual Edwardsville holiday tournament next season. The Edwardsville competition will be increased from eight to 16 teams.

In winning Friday, MHS brought its Midwestern Conference record to 2-1 and advanced its season mark to five wins against six losses. It was its 36th straight win over Bethalto.

The Trojans have generally beaten the Bethalto club with superior shooting, but the two clubs were about evenly matched in that department. The Trojans shot 23 of 33 from the field, compared to 21 of 33 by Bethalto.

# Warrior Matsters Topple McCluer

Getting stronger as a team each meet, the Granite City high school Warrior wrestling squad downed McCluer 25-19 Friday evening at Memorial gym to give the visitors their second dual defeat of its season. The win enables the Warriors to oppose their next opponent with an unblemished dual meet record of 10-0, boosted by one quadrangular championship and being victors of their own tournament here over the Christmas holidays.

The Warriors also defeated McCluer in the sophomore match, 34-16, but lost the Junior Varsity meet 28-30.

The Varsity results are: Bruce Miller (95) L 9-5, Bob Miller (100) W 9-2, Al Bridgeman (112) W 6-6, Steve Ferguson (120) W 1-30, Mike Cristopher (127) W 2-0, Fay Burckman (130) L 4-28, Tom Simon (135) L 1-38, L 7-4 Alex Tarpo (145) L 1-38, Rick Smith (154) W 5-5.

## Cougar Cagers Host Sanford Brown Five

Coach Harry Gallatin's SIU-SW Cougars, fresh from their 80-7 upset win over McKendree College, will host Sanford Brown College of St. Louis tonight at 8 o'clock on the Edwardsville high school gym floor.

The Sanford Brown College Indians are 8-4 for the season and have the top "small college" scorer in Missouri, a 6-2 Robert "Red" Moran.

Moran, a St. Louis McKendree high school graduate, has scored 371 points in 12 games for a 31-point average. He is running mate at center is Dennis Murphy, a 6-7 rebounder and playmaker. The Cougars are 3-6 for the season. McKendree is 12-2.

## Postpone Soccer Game

A scheduled soccer game between the Granite City high school Warriors and DuBourg was postponed Thursday afternoon because of fog and a wet field at the St. Louis school. No new date has been set for the game.

# 15 Straight GCHS Sectional Mat Titles--Last Was By Single Point

For the purpose of qualifying titles for the state wrestling finals, the Illinois High School Association holds district and sectional tournaments each year to decide who will meet at the final wrestling tourney. This year will be no exception, with the thump of grapplers on mats heard throughout the state during February.

Granite City again has been selected as a site of district competition, with winners from here continuing to the Wood River sectional.

The meet at the GCHS mats will begin with a session at 2 p.m. Feb. 14. The second session is scheduled for 2 p.m. Feb. 15 and the championship session will be wrestled at 2 p.m. that day.

**Local Entries**  
Other schools competing in the local district will be Alton, Bethalto Civic Memorial, East St. Louis, Lincoln, of East St. Louis, Edwardsville, Highland, Litchfield, Piassa Piassa Southwestern, Roxana, Vandalia and Wood River.

Tournament manager is Joe Fedora, Granite City school system athletic director.

There will be 28 downstate and suburban schools entered in the tournament series, an increase of 21 schools over 1968 and another all-time high.

**7 Sectionals Plus Chicago**  
Four district meets will lead into each of seven sectional centers, where winners of the first two district places in each of 12 weight classifications will advance to sectional competition Feb. 21-23.

First- and second-place wrestlers in the sectionals will advance to the state finals Feb. 28-March 1 at the University of Illinois Assembly Hall, Champaign.

Last year, DeKalb high school won its first state wrestling crown. DeKalb and East Leyden of Franklin Park fought a fierce dual before DeKalb won the team championship by one point, 27-26. Decatur high school, remaining a strong contender throughout the tournament, fell short with 25 points to finish third.

**School, Student Awards**  
School awards will be given to the winner in each district, the winner and runner-up at each sectional tournament, and the first, second and third-place finishers at state.

Individual awards will be given to first, second and third place finishers in district and sectional tournaments and holders of the top five places in each weight class in the state final tournament.

A school may enter three boys in each weight class but only one of these may actually compete. When a student is injured, he will have until the weigh-in time to withdraw. Alternates substituting for any section or state final qualifiers may be entered up to the weigh-in time deadline.

The Wood River sectional will pit together qualifying wrestlers from the Granite City, Carbonale Central, Decatur Eisen-

hower and Springfield Lanphier districts.

Other sectional sites and the districts assigned to them are: Joliet East (Lockport West, Naperville, Oswego and Wheaton North), Normal Community (Bartonsville Limestone, Normal University high, Ottawa township and Raptoul), Northlake West Leyden (Addison Trail, Arlington Heights Forest View, DeKalb and Reselle Lake Park), Oak Lawn Reavis (Downers Grove North, Flossmoor Home-wood, Park Forest Rich East and Tinley Park), Peoria (Dickinson, North Chicago and Rock Island senior high) and Waukegan (Belvidere, Mundelein, North Chicago and Northfield New Trier West).

In addition to the 284 schools assigned to the 28 district meets, 27 Chicago high schools will hold their own elimination matches, with the first- and second-place finishers in each weight advancing directly to the state-level tournament.

**Second GCHS State Title?**  
Whether Granite City can chalk up a second state wrestling championship is uncertain, schedule is drawn by the local manager. Such shift cannot be to a lower weight but can go to the next highest weight.

Rules on Alternates  
If a sectional qualifier is injured, he will have until the weigh-in time to withdraw. Alternates substituting for any section or state final qualifiers may be entered up to the weigh-in time deadline.

State records held by GCHS include 15 straight sectional titles--the Warriors squeaked by East St. Louis 44-43 here a year ago before finishing 47th in the state meet--and the most state points scored by a champion team, 41 in 1957.

# Boosters Club to Plan Spring Benefit Show

Plans for an "Ozark Opry" show to be sponsored this spring by Boosters of the Fighting Warriors to raise funds for projects connected with Granite City high school athletic programs, will be discussed at an 8 p.m. meeting tomorrow at Grigsby junior high school.

Emerald Daves, president of the Boosters, an adult organization which supports all sports programs at the local high school, said proceeds from the proposed show will be used to complete construction of the athletic field press box and to purchase supplemental items needed by the coaching staff.

Also at tomorrow's meeting, GCHS basketball coach Don Deterding will show and narrate a film of a recent Warriors-Edwardsville contest, Daves said. All interested adults are invited to attend, he added.

## Coolidge Wrestlers Salvage Three Bout

The Coolidge Braves wrestling squad lost to Florissant 48-11 Thursday afternoon on the local mats. The three Coolidge winners were Kevin Niebur (103) 4-3, Bob Miller (112) 9-7 and Craig Stephens (heavyweight) 1-12.

Other results: Mike Jameson (87) L 39, Pat Forya (95) L 1-18, Doug Wilson (100) L 15-2, Rick Kayser (127) L 3-19, Jeff Worthen (133) L 4-9, Steve Benzen (138) L 3-51, Dave Sertich (145) L 1-12, Bill Brumberger (154) L 4-3, Casper Burgerer (160) L 1-50 and Jim Robbers (180) L 3-50.

# Prather Chiefs Drop Match with Belleville

The Prather Chiefs wrestlers after winning four meets in a row, dropped a close match to Belleville East Thursday evening 33-28 on the victors mats.

The two teams were tied 28-28 going into the 12th and final match but the Chiefs lost when Tom Layman (heavyweight) was pinned late in the third period in 5:23.

The Chiefs forfeited the 87 pound classification, but gained the five points back on a forfeit to Curt Holland (103). Other wrestlers were Rich Madison (95) W 19-0, David Raub (112) W 2-53, Howard Ederton (120) L 3-26, Dean Vaughn (127) L 5-4, Norris Egbert (133) W 1-40, Dean Patterson (138) W 4-25, Bob Morgan (145) W 3-24, Dwayne Dickerson (154) W 1-47, Chester Walton (165) L 3-43, Woody Lovacheff (180) L 1-57.

## Li. Gov. Simon Speaker At Peace Church Here

Plans to serve as an ombudsman while in office as Illinois lieutenant governor were outlined by Lt. Gov. Paul Simon of Troy Sunday before the annual meeting of the Peace Lutheran Church, 2450 Stratford Lane.

Simon described the function as "serving as a lobbyist for the host of citizens who have no lobbyist." The term ombudsman, he told the meeting, is a Swedish term for a complaint officer or trouble shooter. The lieutenant governor addressed the meeting on the topic "The Totally Involved Person."

Simon served eight years in the Illinois House and six in the Senate prior to his election as lieutenant governor last November. During his campaign, he pledged himself to active participation in the state government, and said he planned to travel throughout the state as ombudsman to hear complaints of the people.

## 100 Attend K. of C. Mass, Dinner Dance

More than 100 persons attended a celebrated guitar Mass and dinner dance Friday night at the Knights of Columbus club.

Principal celebrant was Rev. Thomas Trece, chaplain of Tri-City K. of C. council 1088 and assistant pastor of Sacred Heart Church. Concelebrants were Rev. Bernard LaBonte, pastor of St. Augustine's parish in Ashland; Rev. Peter Bertoldo, assistant pastor of St. Joseph's Church; and Rev. George Morelock, assistant pastor of St. Elizabeth Church. Father LaBonte also is pastor of the Church of the Visitation in Alexander.

Guitarists were Father Morelock, who led in congregational hymns, and Thomas Krieschok, a Granite City high school junior and a member of St. Elizabeth's parish. Richard Francis was the commentator.

It was the first time that a Mass was celebrated in a K. of C. home in this region, an innovation stemming from regulations developed at the Second Vatican Council.

Hymns for the guitar Mass,

**GUITAR MASS CELEBRATED** at the Tri-City Knights of Columbus club, followed by a dinner dance Friday night. Principal participants in the events were, left to right—guitarist Thomas Krieschok, Edward Evans, deputy grand knight; Rev. Bernard LaBonte; Carl Petty, co-chairman; Rev. Thomas Trece, chaplain and principal celebrant; Michael Schuler, grand knight; Rev. Peter Bertoldo and Rev. George Morelock.

becoming more popular among youths and adults in the area, are entitled "Here We Are," "Take Our Bread," "Sons of God," and the Thanksgiving hymn, "Battle Hymn of the Republic."

Father Trece's homily dealt with the sacraments of Confession and Communion. He distributed Communion to those attending. Presenting the chalice during the Mass were Michael Schuler, grand knight;

Edward Evans, deputy grand knight; and Carl Petty, co-chairman in charge of the "Take Our Bread."

The other co-chairman was Richard Rojas.

Lawrence Petri was in charge of the dinner. Music for dancing was provided by the Bill Brady band of Benld.

Among other special guests were William Balke, grand knight of the Highland council, and Mr. and Mrs. William Nolte of Highland.

## H. L. Bower, 82, Dies At Carrollton Hospital

Funeral services were held Thursday in White Hall, Ill., for H. L. Bower, 82, of that city who died Tuesday in a Carrollton Hospital following a heart attack. He and his wife, a sister of Mrs. F. E. Crowcroft, 2618 Edison avenue, and mother of Mrs. H. A. McConnell, 2417 Missouri avenue, celebrated their 51st wedding anniversary Jan. 12.

Other survivors are the widow, Mrs. Anna Bower, of White Hall; a grandson, Gerald McConnell, and a great-grandson, Corey McConnell, all of Granite City.

Attending the funeral from this city were Mr. and Mrs. F. E. Crowcroft, and the McConnell family.

## Mother of Dr. Lay Dies in Aurora, Ill.

Funeral services were held at 3 p.m. Friday in Aurora, Ill., for Mrs. Lillian B. Lay, mother of Dr. Overt Lay, local surgeon.

She had undergone major surgery on Thanksgiving Day and apparently recovered but returned to the Coxley Memorial Hospital on Christmas Day.

Mrs. Lay died at the hospital last Wednesday.

Other survivors include her husband, Arthur; three daughters, Mrs. Garnet LaCure, Mrs. Violet Fischer and Mrs. Pat Paulson all of Aurora; four sons other than the doctor, Charles Lay of Aurora, Forrest Lay, Atlanta, Ga., Arthur Lay Jr. of Kankakee, Ill., and Ellery Lay of Peoria, Ill.; 19 grandchildren and ten great-grandchildren. Interment was at Wheaton, Ill.

## Groves' Second Daughter

Mr. and Mrs. Darrell Groves, 5014 Lakewood drive, are announcing the arrival Sunday of their second daughter at Alton Memorial Hospital. The baby weighed nine pounds and was named Rebecca Anne. The couple has an 18-month-old daughter, Melissa.

## ATTEND INAUGURATION

Among those attending the inauguration of President Nixon today is Russell Dunham of Alton, only living Congressional Medal of Honor winner in this metropolitan area, and his wife, Wilma. He previously attended the Eisenhower and Kennedy inaugurations. He is the brother of Ralph Dunham, 4178 Breckridge.

A former Granite Cityan, Russell Dunham was cited for gallantry Jan. 8, 1945, when he killed nine enemy soldiers and wounded seven in an attack on machinegun posts near Kayserburg, France.

A government employee in St. Louis, he reports that the current five-day trip, his fourth to a presidential inaugural, is the first in which the inaugural committee is financing his travel and lodging.

## Three Charged with Violating Zoning Law

Three Nameoki township residents are among 10 persons being summoned into court on alleged zoning violations, according to Jack Clifford, Madison county zoning administrator.

They are Charles Flicker, 3128 Princeton street, State Park Place, charged with permitting junked vehicles on his property; Myrtle Polos, Polos tavern, 8513 Collinsville road, State Park Place, illegally parked mobile home; and L. C. Roustio, Horseshoe Lake, permitting trash and refuse to be dumped on his property.

Clifford said appearance dates have not been set. A section of the ordinance may be tested in court by a Collinsville man charged with illegally storing a former refuse truck on his property.

## leader, Mrs. Joyce Hand, and

co-leader, Mrs. Janice Reinhardt, at the home of the leader.

They started planning for a trip next year in which they will take a three-day wagon tour, including ghost towns and the desert. Each girl will earn her portion of the cost, and the group will make handmade articles, including pillowcases, aprons and candy.

The girls are working on a different badge each month, and are planning a puppet show for hospitalized children.

In observance of the birthday of Mrs. Reinhardt, cake and ice cream were served. Present were Pam McMain, Susan Seymour, Twila Schertz, Debbie Hand, Mary Martin, Peggy Williams, Georgia Case, Marge Bates, Robin Green and Jennie Duncan.

## CAVERN TOUR SATURDAY

Girl Scout Troop 228 meeting Friday at Stallings school with Mrs. Maude Bates, leader, and Mrs. Willie Hayden, co-leader, made final plans for a trip to Meramec Caverns Saturday, Jan. 25.

All will assemble at Stallings school to leave at 8:30 a.m. The cavern tour will start at 11 a.m., lunch will be enjoyed at 12:30 and the departure will be at 1:45 p.m., with the arrival at the school at 3:30.

Games were played and the scout pledge was led by Robin Hayden and Jeanine Williams.

Others present were Nina Duncan, Connie Jasco, Debbie Warfield, Cindy Duncan, Patricia Bates, Kathleen Weinhold, Cindy Meyer, Janet Bundel, Kathy Meyer, Kathy Rochester, Cindy Garber, Susan Leibold, Jo Donna Hensley, Kathleen Yarborough and Wanda Simpson.

## Broader Sales Tax Or Income Tax Urged

The Illinois Retail Merchants Association today urged broadening the base of the current sales-use tax "but only to escape an added burden of higher sales tax on cost-of-living merchandise, or enactment of a flat-rate income tax not exceeding 4%."

The proposal, which legislators specify that, if an income tax is adopted by the state, exemptions and deductions should conform to those permitted under the federal income tax law. It was stressed that without such conformity, the flat-rate principle would be negated, since the legislature at some future time could eliminate business deductions to provide more revenue.

If Illinois creates an income tax, the IRMA said, it should also reduce the state sales-use tax to 4% and adjust the personal property tax and allocate part of the income taxes to cities.

## Son Arrives For Former Residents

Major and Mrs. Donald L. Coleman of San Antonio, Tex., are announcing the birth of a son Jan. 10 at Wilford Hospital in San Antonio. The new arrival, who weighed seven pounds, eight ounces, was named Gregory Lee. He has two sisters, Michelle Marie, five, and Suzanne Marie, three. Mrs. Coleman is the former Sue Ann Young, a daughter of the late Mrs. Dorothy Marie Young. Major Coleman is stationed at Brooks Air Force Base in San Antonio with the Aero Space Medicine program. He is a son of Dr. Leo Coleman.

## Optimist Club Hears Outline of NEXTEG Program

An experimental program in teaching students to study more effectively is being conducted at Southern Illinois University—Southern campus was described for Granite City Optimists by a participating educator Thursday noon.

Raymond Grinter, a teacher in the Edwardsville school system prior to accepting an SIU fellowship, told Optimists the principal purpose of the federally-supported NEXTEG program, (New Experimental Teacher Education), is to impart new techniques in effecting better contact with students through understanding more clearly the challenges of today's youth and how best a teacher can relate himself to young people.

"The entire project is to increase competence in the teaching profession," the guest said. Several methods of discovering the personalities and makeup of individual students were demonstrated by Grinter, who asked questions posed during informal class situations are the means of producing a definite insight into behavior patterns and personality.

The guest speaker was introduced by his father-in-law, Herman Mueller, Optimist program chairman.

### Fremont Complaints of Frank During Meeting

George Smolich, Granite City fireman, complained that he was the victim of a prank perpetrated by fellow firemen at an installation dinner meeting of the International Association of Fire Fighters Local 253 last week.

Some of the firemen spread the word that Smolich, who is teaching Southern Illinois University-Southwestern campus, had made the fall honor roll, which Smolich said was not true. During the meeting William Seago was installed as president to succeed Harry Hillman.

available to obtain literature, records and film strips, including 14 film strips on mythology. The program is led by students and is student-oriented, with teachers serving as a catalyst. Mrs. Connole said, adding that it leads to personal development, leadership and good citizenship. "It has really extended my own horizons," she added enthusiastically.

Heimer said that classes are limited to about 20 of the more able students, but that side benefits to other students are becoming apparent.

He said the special program takes pressure off of both gifted students and general students.

**Spillers Commended**

Mrs. Connole noted that the Madison system is the only one to have the program developed for all six grade levels.

During the meeting, board members commended Richard Spillers, Blair grade school principal, who received the Illinois American Legion's 1968 child welfare award in recognition of his services.

Raymond Kotielek, treasurer, reported that the district recently earned \$5000 as interest from short-term investments of \$400,000, money not immediately needed. He said that \$200,000 has been re-invested for a 30-day period.

Miss Margaret Carlin, administrative assistant, noted that funds were invested for a longer period of time because of the delay in opening of the schools last fall.

**Board Election**

The board adopted a resolution setting the annual school board election for April 12. Two members are to be elected. The terms of William Schreiner and William Vavra are expiring.

Nominating petitions may be filed from Feb. 26 to March 22 at the school board office.

Requests to use the MHS gym for a basketball game between SIU-SW and Sanford-Brown College of St. Louis on Feb. 15, and for use of the Dunbar school auditorium by the Memorial Lancers drum and bugle corps on March 3, were approved.

Kotielek reported a Jan. 1 cash balance of \$132,752 in the educational fund, plus \$300,000 under investment; a deficit of \$220 in the building fund, plus a \$100,000 investment; and \$10,128 in the bonds and interest fund, for a total of \$10,681 plus investments of \$400,000.

The board approved December salaries of \$21,328 from the educational fund, \$3200 from the lunch fund and \$880 from the building fund, and December bills of \$22,763 from the education fund, \$2717 from the building fund and \$3383 from the lunch fund.

**McManus is Renamed Head of Credit Union**

Police Lt. Francis McManus was named to his 16th term as chairman of the Granite City Employees Credit Union at its 13th annual meeting and dinner-dance Saturday night at the Knights of Columbus club.

Other officers elected were Frank Graf, vice chairman; Lionel Portell, treasurer; Kenneth Watts, recording secretary; and Edward Glosik and Frank Sturman, board members. Reports were made by the various officers.

**Arrested After Crash**

Cars driven by Joyce A. Pryor, 43 Shirwin drive, and Vestal E. Lewis Jr., 802 Third street, were damaged at 4:50 p.m. Friday in the 1500 block of Fourth street, Madison. Officers said Pryor was driving east on Fourth street and Lewis was pulling from a parking space at the curb when the mishap occurred. Lewis was charged with driving without a valid driver's license.

## Laclede Steel Solving Problems With Equipment

Laclede Steel Co. president Paul A. Akin in speaking to the St. Louis Society of Financial Analysts on Thursday at the Missouri Athletic Club gave a summary of the problems Laclede had encountered during 1968. He said difficulties with the new continuous casting machine, the electric furnace melt shop, and the primary rolling mill at the Alton plant had been very expensive and had required the company to purchase large amounts of semi-finished steel at prices well above Laclede's normal costs.

Laclede's continuous casting machine was taken out of production in August 1968, and Akin explained that a modification was being made on this unit and that it would be back in operation in March of this year. He indicated that Laclede expected no further difficulties with this machine.

Akin then reported that the problems had been overcome in the melt shop and the blooming mill area, and that the production in these departments was now higher than it had ever been in the past.

Akin described the swing forge and the prestressed merchant bar mill that will be in operation in March.

The mill will be started with products Laclede now rolls, but "by this time next year we hope to have the new mill up to 18 thousands tons per month," he said. He made no comments about 1968 final results or predictions of future earnings but repeated, "our steel and billet-making equipment that caused our severe problems in 1968 are now performing much better than they ever have in the past and that we have a new mill about to come on line that will subsequently increase our volume."

**Louis Komadina, 79,  
Dies at Nursing Home**

Louis Komadina, 79, a resident of the Colmanas Nursing Home for 3½ years, died there at 1:50 a.m. Saturday. He had been ill with the flu.

Mr. Komadina, a native of Yugoslavia, lived here 53 years, moving to the Quad-Cities from Flat River, Mo. He retired in 1957 as a shipper at General Steel Industries. He was a member of St. Elizabeth Roman Catholic Church, United Steel workers Local 1022 and Lodge-Velebit No. 222, CFU.

Survivors include his wife, Anna, of Granite City; a son, Alois Komadina of Granite City and two grandchildren.

Services were held this morning at St. Elizabeth Church. Further information is given in today's obituary column.

### TROOP FAMILY PROJECT

Brownie Troop 198 sponsored by the Webster PTA met at the school Wednesday afternoon under the leadership of Mrs. Betty Van Gilder and Mrs. Peggy Jameson for a weekly meeting and to continue work on an arts and crafts family project.

The meeting was called to order and the leaders collected brownie gold and took roll call. The scouts discussed plans for a skating party in February which all troops from Webster will participate.

Each girl made a picture of various fruit arrangements and framed it on white cardboard for their families and they enjoyed a recreational period. Cadettes, Rita Ann Ahlers and Karen Lee of Troop 231, working on the requirements of the game badge, taught the Brownies new games.

Answering roll call were Robin Barnes, Jackie Chagge, Dana DeWew, Susan Foster, Diane Harris, Terry Hill, Colene Jackson, Kimberly Jamison, Ruth Ann Johnson, Joyce and Sheila Jones, Marci Little, Shirley Money, Robin Munoz, Lori Nemeth, Pamela Sander, Shelley Siebert, Janice Van Gilder, Vicki Williams and Cheryl York.

### COURT OF HONOR

Junior Girl Scout Troop 836, sponsored by the Lake PTA met Thursday afternoon at the school under the guidance of leaders Miss Vicki Yetter and Miss Carol Willison, assisted by Mrs. Nora Martin. A court of honor was held.

Candy Wallace opened the meeting and led the scouts in the pledge of allegiance to the promise and sang "Girl Scout Together." During the court of honor ceremony, conducted by Miss Yetter, the girls completed a plan of work for the remainder of the scout year.

Each patrol leader held a meeting with individual girls to discuss tentative plans for a valentine party in February. The scouts decided to ask the assistance of several senior girls to teach new songs.

### JOINT BOWLING SESSION

Junior Girl Scout Troop 29 sponsored by the Webster PTA met Thursday afternoon at the school Thursday afternoon with the leader, Mrs. Jackie Watkins conducting roll call and collecting dues. In girls adjourned to the Troop Bowl with Junior Troop 704 led by Mrs. Mae Lee and Mrs. Shirlene Tervasi for a bowling party.

Attending from Troop 29 were Kathy Adams, Laura Arbogast, Tammy Arnold, Sharon Chagge, Karen Crowell, Rebecca DeForest, Becky Denny, Laura Fairfield, Pamela Gaines, Judy Hartsock, Corine Kuhn, Susan Kaletka, Susan McKinney, Vicki Moody, Jana Russell, Dena Sitter, Patti Stagg, Gail and Kay Watkins, Candice Werth and assisted by Mesdames Eva Arbogast, Sue Gawwiner, Doris Stotz and Miss Phyllis Stotz.

HONORS ARE SHARED  
The Glenview Tops (7 Off Pounds Sensitivity) club met at the home of Mrs. Marie Oglesby, 2717 Maryville road, Thursday afternoon, and Mrs. Oglesby and Mrs. Betty Corcoran shared the weekly honor of "queen for the day" for most weight loss.

### DAY CAMP CONFERENCE

Mrs. Victor (Vivian) Davis, 2529 Dogwood drive, returned Thursday evening from a two-day conference of day camp coordinators in Minneapolis, Minn. Mrs. Davis is the director of day camping for the River Bluffs Girl Scout Council. She is also troop organizer for Marshall school and a junior troop leader and serves on the neighborhood service team in Neighborhood Three.

The conference was attended by 45 directors from different states. Mrs. Davis said the overall program pertained to development of quality programs in day camping and also covered the total scouting program.

The River Bluffs Council is in Region Four, which includes 94 councils in eight states, Illinois, Indiana, Iowa, Wisconsin, Michigan, Minnesota, North Dakota and South Dakota.

### LOSERS CLUB MEETS

The Losers club met at the home of Mrs. Rose Yates, 2445 Jerden avenue, Thursday evening for the regular meeting with Mrs. Sharon Rickert, president, presiding over the business session.

The members weighed in and penalties were levied against the gains. Mrs. Rickert was named "queen of the week." The special prize also was won by Mrs. Rickert.

The club decided to hold a Valentine Day contest to run through Feb. 13, when the individual losing the most weight will be awarded a special surprise.

In attendance were those mentioned and Mrs. Shirley Gausepohl, Mrs. Lucille Gates and Mrs. Eunice Dennis. The next meeting will be held in the home of Mrs. Melba Fricker, 1645 Spring avenue, Jan. 23.

### CLUB REPORTS 100%

The Will Show 'Em club, a chapter of Tops, met in the home of Mrs. Esther Reutzel, 2412 Pontoon road, Thursday evening with the leader, Mrs. Marie Borger, in charge.

The meeting was opened with the pledges, and Mrs. Borger announced that the club had 100% weight loss this week and Mrs. Joan Meizer was crowned queen of the week and was presented with the special basket of fresh fruit.

New member, Mrs. Ruth Rheinhardt, was introduced and welcomed by the group and the remainder of the evening was spent in isometrics exercises. The meeting was brought to a close by chaplain, Mrs. Alice Young, with prayer.

Others present were Mesdames Sheila Stutch, Janet Spalding, Mary Nemeth, Bea Belcher, Frances Pasak, Mildred Guyer, Bernice Gergen and Darlene Hartzel. Anyone interested in joining the club may call 831-1361.

## Miles Lab Sales Set Record in '68

Miles Laboratories, Inc. today announced that current estimates indicate that sales and earnings for 1968 were the highest in the company's history.

Miles operates its Union Division in Granite City.

A letter to shareholders, President Walter Compton, M.D., said, "preliminary unaudited figures show that 1968 earnings will approximate \$1,600,000 which would equal \$2.51 a share up from 1967's \$2,086,000, or \$2.1 a share."

Dr. Compton said this 29% increase in earnings was attained despite the impact of the Federal Surtax. The effect of this tax increase, he noted, is estimated to be equal to 20 cents a share.

Profit figures that sales in 1968 approximated \$228,000,000, an increase of 15.5% over the \$197,400,000 of 1967.

The preliminary figures also indicate record earnings in the fourth quarter of \$3,500,000 or 72 cents a share. This is an increase of 37% over the earnings of \$2,533,000 for the same period a year earlier. Sales for the fourth quarter approximated \$65,300,000 compared with \$50,900,000 in 1967's first quarter, a gain of 28 per cent, Dr. Compton said.

Mr. Charles Foukrod and children, Blake, Danny and Kirk, of Arlington, Tex., are visiting her parents, Mr. and Mrs. Charles Wilkerson, 2903 Palmer avenue. They were called here by the death of Mrs. Foukrod's grandfather, W. O. McGriff, who passed away Jan. 14.

## MORE ABOUT Venice-Madison

completed planning and zoning ordinances. These are now being set up by SIMAPC which has been working for the past two years on comprehensive planning and zoning programs for Madison and Venice-Lee said completion of this stage of federal requirements is expected next month.

The federal program permits communities moving their own money if it is available, the cities then raise the old housing and rebuild on the purchased site. The homeowner is given first choice of buying the new property. If the original owner desires to move elsewhere for any other reason does not wish to purchase the new home, it may be sold to any other buyer.

The government program also provides low-interest, long-term loans for prospective buyers who can qualify. Those who are unable to meet the qualifications, may apply then for FHA loans.

Mayor Lee pointed out that regulations of the federal program also include condemnation procedure under which the city may take over dilapidated properties in instances where the owners refuse to go along with the program or do anything about rebuilding or improving the property.

There also are provisions, the mayor said, for construction of houses that could be made available on a rental basis to elderly persons or displaced families not able to buy the home.

**NIGHT OWLS MEET**  
WITH MRS. HICKMAN

The Night Owls club met in the home of Mrs. Myrtle Hickman, 45 Terrace lane, Thursday evening.

The club presented Mrs. Hickman with a birthday gift and sang "Happy Birthday" to her.

The evening was spent playing pinocle, with prizes awarded to Mrs. Evelyn Reinhardt, first place, Mrs. Nettie Miner, a guest, second, and Mrs. Toni Strain, third.

Mrs. Hickman served a late

luncheon, the luncheon table being adorned with an arrangement of pink roses, pink candles and matching pink napkins.

Present were Mesdames Eva Shepard, Juanita Rosenberg, Mabel Lehn and Mary Baumberger.

Mrs. Reinhardt has invited the club to her home, 2916 Idaho avenue, for the next meeting Jan. 30.

**PRAYER GROUP MEETS**  
The Mission Prayer Group of Suburban Baptist Church gathered at the church Thursday night for a monthly prayer meeting.

Mrs. Linda Demery opened the meeting by presenting the devotion. The prayer list was discussed and plans were made to form a new intercessory prayer league.

The lesson for the evening was "Learning the Secret of Jesus' Prayer Life." Missionaries' names were read from a prayer calendar and a season of prayer was led by Mrs. Sue Kinchen.

Next meeting of the prayer circle will be Feb. 11 at 7:30 p.m. at the church.

## MOST DRUNKEN DRIVERS GET ONLY TOWN PENALTY

To the Editor: I believe that constructive criticism which concerns the welfare and safety of our public and human lives should not be overlooked or go unheeded. Being a policeman on the local department, I would like to comment on two questions:

1. Why aren't more persons suspected of being drunken drivers recognized as such and charged with a proper and valid charge of same? (Driving while intoxicated or DWI).
2. Why are persons charged with DWI seldom ever convicted in our courts?

I have been a policeman on the local department for almost 13 years and have gone to court on many occasions to appear and testify in court cases involving persons whom I honestly believe were very guilty of driving while intoxicated.

After coming in contact with these people who are intoxicated, over a period of time, their physical and mental condition would be very obvious. Persons talking incoherently with a slurred and uncontrolled speech, slurred words, slurred tongue and a slurred voice. A very unsteady walk or stumbling and falling. Uncertain or poor coordination, poor eyesight or a glassy stare, along with a heavy odor of alcohol on their breath. These are the things that would lead me to believe that the person very assuredly is drunk.

Some persons in this condition may claim to be on drugs for health reasons, but the drug alone does not affect them until they have consumed the alcoholic beverage. Then it is the alcohol causing the loss of faculties, and they should be held responsible.

The reason I say this is that they can live without the alcohol and still without the drug. Sometimes they have been arrested on numerous occasions; then they are aware of the ill effects and still continue to drink.

In answer to the two previous questions, to my knowledge Granite City does not have any testing devices for drunken drivers in this capacity to determine the percentage of alcohol in a person's blood, which seems to be essential in getting a conviction in court.

Consequently they are generally charged with a lesser charge. Or, if properly charged with DWI, when you get to court the attorney or someone will just change the lesser charge or two, claiming that they will get a conviction on these and not the DWI.

The state statute in Illinois evidently consider DWI a serious offense, since the penalty for it is severe enough. Upon conviction, the fine can be up to \$1000 and automatic loss of driving privilege for up to one year.

Naturally, most persons do not want to be charged or convicted of DWI and will generally plead a hardship case, as they need transportation for work.

I doubt that they were thinking of their family when sitting in a bar handing out the money and drinking themselves into a stupor.

They never realize they have such a good family until they get in a bind and really need the money. So they generally contest the charge and go to court, which is their legal right.

I personally do not go along with the saying that "justice always prevails in court," as I have had several good cases in court and have lost them. It always reverts back to no proper test for them. Many municipalities in Illinois do have the testing device.

A drunken driver is a menace to society and you never know just who the next innocent victim will be.

Another point I would like to emphasize is that if people who are drunken drivers are never charged with the proper charge, the records will never show the disposition of that charge, and the true statistics will never come out.

This just can't be right—even if some of the persons charged are so called "hometown favorites."

There is just one more thought I would like to bring out: that the policeman who takes these cases, sometimes spends considerable

## Merit Program Will Make Careers Possible In Madison County Law Enforcement Work

Creation of a Sheriff's Office Merit Commission in a Madison County law enforcement agency will afford greater continuity than has been possible through hiring by the sheriff, who cannot serve successive four-year terms. Three commissioners, chosen from the board of supervisors, will be staggered six-year terms and their appointments will work on a career basis.

By its nature, success of the merit plan adopted by the County Board of Supervisors last week will depend to a great degree on the caliber of the commissioners selected.

Past staff turnovers in some instances weeded out incompetent deputies, and the new program, if properly administered also will prevent such help from being perpetuated in office.

The commission's authority to appoint, promote, discharge and discipline includes power to subpoena witnesses and records in evaluating any charges against the county law enforcement staff. One-year probationary period will permit dismissal by the sheriff in the case of new deputies or reduction in rank by the sheriff in the case of given promotions.

The first-year dismissal power and the sheriff's authority to suspend for up to 30 days a year without a commission hearing could be abused, but perhaps are needed to enable him to become "master of his ship," since he will inherit personnel with no particular loyalty to him. The chief deputy or administrative assistant will be answerable only to the sheriff.

In any event, the merit plan is a big stride forward. A change to serve indefinitely rather than merely for several years should aid greatly in attracting able people to the sheriff department, especially if the county follows through, as we hope it does, by upgrading the pay of deputies.

Another step worth considering is further specialization by deputies so that there is increased separation between the tasks of serving papers, with a sheriff's office, and law enforcement (to meet expenses and to increase the county governmental treasury), and carrying out non-law but nevertheless vital investigative and enforcement duties.

## June Not Best Month To Hold The Primary Election; Neither Is April

The legislative proposal by State Rep. Kennedy to change Illinois primary elections from June back to April has some merit in that it would reduce the number of potential voters out-of-town due to vacations. Of course, absentee ballots are available to those planning June travel.

We agree that June is not an ideal month for an election, since there is a noticeable slump during the summer in attention citizens give to

## Dissatisfaction With Property Tax Is Traced To Differing Procedures

(State Chamber of Commerce Tax Department)

There has been an increasing dissatisfaction with the use of property taxes to finance government in Cook county that is true in the rest of the state.

Why? Because:

1. Property taxes are high, both in absolute dollars and on a percentage basis.
2. They are not sugar coated—they are not withheld from wages or paid in penny time, but are paid in a lump sum which emphasizes the size of the payments.
3. Taxpayers have little confidence that property taxes are being administered equally or fairly because assessment and collection procedures vary throughout the state. This is particularly noticeable when the Cook county pattern is compared with the composite of the rest of the state.

Yet, the total assessment of household goods and personal effects in Cook county is \$30 million, while the assessment in the rest of the state is \$374 million.

Cook county collects slightly more than 68% of the tax actually extended against personal property while the rest of the state collects 94%.

If Cook county met the record of the rest of the state in assessment and collection of individual personal property, it could collect approximately \$150 million it is not now collecting.

public matters; graduations and weddings also help divert thoughts from political and governmental issues.

However, we urge the General Assembly to also take into account the possibly unwelcome effects of primaries occurring within several days of April school board balloting.

There have been local situations in which precinct committees and other campaign workers and drivers were hired at a rate of pay which called for them to be active on both Tuesday and Saturday of the same week. This tended to inject politics into education and to patronage and purchasing practices that might otherwise have been avoided.

June is not ideal for a primary election. Neither is April. November is out because that's when the general election occurs, and this probably also eliminates December, January and February.

By a process of elimination, maybe legislators can find more of an ideal time. There are only six months left on our list, and objections to several of those months come to mind immediately.

## Reasonable Boundaries For Air Quality

Federally-proposed boundaries for an air quality region including St. Louis are reasonable.

The six counties designated (Madison, St. Clair and Monroe in Illinois and St. Louis, St. Charles and Jefferson in Missouri) have the bulk of the population and pollution. And, being adjacent to each other, the counties are affected by not only their own air purity level but that of their neighbors.

Where the previously proposed interstate boundary failed was in its selection of standards and procedures unrelated to the data and information obtained from its nearly million-dollar study; downgrading of the role and interest of government; preference for arbitrary federal action and authority here without reference to the extent of federal power in other metropolitan regions; and a device to ban new industry in Madison county, while encouraging it to locate in Missouri, by creating air boundaries within the interstate jurisdiction.

Former Governor Kerner correctly refused to acquiesce to the earlier plan despite being unfairly pictured as a foe of clean air.

With the states apparently to be given an adequate voice, the new approach to "quality control" of one of the most essential of all our freedoms—the air we breathe—may have a much brighter outlook.

## New Theater A Welcome Addition

Princess, Rialto, Airdome, Ken, Madison, City... recollections of local motion picture theaters of the past come to mind with the announcement that a 1000-seat Cinema Theater will be built in Washington.

The \$500,000 structure to be started next month for full completion will occupy part of the shopping center of the new Light Walk development in Pontoon Beach. Such theaters as part of commercial areas that have large parking space have become popular in the mid-west in recent years.

We believe Arthur Enterprises has made a sound decision in locating another theater in this community, which not only has many moviegoers but is connected by numerous highways with other residential areas.

The ultramodern 120x180-foot building will compare well in its attractive design and appointments with any theater in this region. It is a welcome addition to Pontoon Beach and the Quad-Cities.

Unfortunately, it's the shortcomings of men that seem to have the longest reach.

## Biomedical Approaches to Control Of Population Size Are Proposed

(American Institute of Biological Sciences)

"The need to slow down the growth of world population, in urgent as the world's No. 1 problem, is becoming more and more obvious," says a report of the American Institute of Biological Sciences.

Writing in the current issue of "BioScience," Dr. William D. McElroy, head of the biology department of The Johns Hopkins University in Baltimore, Md., urges the United States to develop a family planning program to encourage leadership and to initiate more vigorous programs to bring world population growth closer to "zero," i.e., where the births equal the deaths.

Family planning services need not be directed to all people, nor even all females, but to women at the time of

## At Last—Accelerator Being Built

(Illinois Department of Business & Economic Development)

Construction has started on the largest and most powerful particle accelerator, the 200-billion electron ring, 1.24 miles in diameter, will be ready for use by the summer of 1950.

The target date for completing the entire NAL project is the end of 1953.

The accelerator will be the principal facility in the \$200-million National Accelerator Laboratory research complex.

Work on the project began following a groundbreaking ceremony on a 600-acre site which was selected Dec. 16, 1946, by the U. S. Atomic Energy Commission.

The site in DuPage and Kane counties was chosen in competition with more than 200 other sites in 46 states.

The structure now being built will house the first two instruments of the U. S. Atomic Energy Commission's new accelerator system that will boost protons to an energy of 200 billion electron volts for experimental purposes. It is expected to be finished in 14 months.

The facility will employ 2000 scientists and technical personnel who will draw salaries totaling \$15.5 million annually.

## Tax Deduction on Education Costs

(Internal Revenue Service)

Q—How do I go about putting in a claim for my present job?

A—Enter your claim on Form 1040-X, Amended U. S. Individual Income Tax Return. Copies of the form and instructions for completing it are available at local IRS offices. Copies may also be obtained by writing to the IRS district director.

Form 1040-X is simpler to complete than previous claim forms or a four-part schedule. Only the information that is new or changed needs to be entered. Claims filed on this form are given special attention and, in most cases, can be processed much faster than heretofore.

Q—What conditions have to be met before you can deduct an educational expense? I'm thinking of signing up for a course that will help in my work.

A—For education to be a deductible item, it must either be required to keep your present salary, status or employment or it is taken to maintain or improve your skills required in your present work.

Education taken to meet the minimum educational requirements of your present job that qualifies you for a new job or business is not deductible.

## 500,000 Shares of IPC Stock Offered

An offering of 500,000 shares of common stock (no par value) of Illinois Power Co. at \$30 per share is being announced today by an underwriting group managed by the First Boston Corp. and Merrill Lynch, Pierce, Fenner & Smith.

Proceeds will become a part of the general funds of the company and will be used to finance part of the cost of the company's \$441,000,000 construction program.

On March 28, 1968, Illinois Power announced its proposal to acquire the Central Illinois Public Service Co. through an exchange of stock. The proposal was approved by the Illinois Commerce Commission on Oct. 30 and is subject to approvals by stockholders and by the S.E.C.

The underwriting group outlined that Illinois Power is engaged in the generation, transmission, distribution and sale of electric energy and the distribution and sale of natural gas in the state of Illinois. Of the company's total operating revenues, about 67% was derived from electric power and 33% from gas.

Net income for the 12-month period that ended Oct. 31 amounted to \$33,747,376, compared to \$33,100,802 for the year that ended Dec. 31, 1967.

## Sheriff's Dept. Rules To Be Set by Commission

The authority and responsibility of the new Madison county sheriff's office merit commission are generally outlined in an ordinance adopted last week but will be spelled out when the first commissioners are appointed by Harold Landolt, chairman of the county board of supervisors.

Three commissioners to be named will formulate specific rules and regulations under which sheriff's department employees will work.

The ordinance, which was passed by a unanimous vote, removes all employees of the department from the patronage system except for the chief deputy and an administrative assistant who may be designated by the sheriff.

### Power of Subpoena

The commission will have the power to secure by its subpoena the attendance and testimony of witnesses and the production of books and papers both in support of any charges heard by the merit commission and on defense thereto.

Each member shall have the power to administer oaths. In case of the neglect or refusal of any person to obey a subpoena, any circuit judge may order him to appear or face contempt of court proceedings. Any order of the commission removing, demoting or suspending a deputy may be appealed.

The commission shall establish a classification of ranks of the deputy sheriffs in the department and shall set standards and qualifications for each rank. It is proposed that compensation for each rank or position be a single rate of pay for each deputy in a particular rank.

**Appointments, Promotions**  
Appointments and promotions of deputy sheriffs shall be made from those applicants and can-

didates who have been certified by the commission as being qualified for appointment or promotion according to standards set by the rules and regulations of the merit system.

All persons appointed deputy sheriff are to serve a probationary period of 12 months, and during that period may be discharged at the will of the sheriff.

Those promoted will serve a 12-month probation, during which they may be reduced to their former rank at the will of the commission.

Disciplinary measures prescribed by the commission may be taken by the sheriff for punishment of infractions of the rules and regulations set by the commission or the sheriff's department.

### Sheriff May Suspend

Under the rules, the sheriff may suspend any deputy sheriff for a period not exceeding 30 days within a 12-month period without a hearing before the commission.

A case arose over the length of the maximum suspension without recourse to a hearing as Robert Ford of Wood River offered an amendment to reduce the period to seven days.

But Marshall Smith, assistant state's attorney, and members of the commission have noted that the ordinance strips the sheriff of much of his former powers and that he should be left with sufficient authority to control the department.

The rules could permit a deputy to institute an action before the commission.

The ordinance further points out that no deputy sheriff shall otherwise be suspended, demoted or removed except for cause upon written charges filed with the commission by the sheriff. A hearing before the commission would be held upon not less than 10 days notice.

At such a hearing the accused deputy will have full opportunity to be heard in his own defense and to produce evidence.

If charges against the accused deputy are established by the evidence, the commission will make a finding of guilty and order either his removal, demotion or his suspension for a period of not more than 180 days, or such other disciplinary punishment as may be prescribed by the rules and regulations.

The ordinance can be amended by the board as the system develops.

## State Traffic Deaths Decline During 1968

Traffic deaths in Illinois totaled 2484 during 1968, a decrease of nine or less than one per cent from the 2493 persons killed during 1967.

The 1968 total is contained in a provisional report compiled by the Division of Highways and the Illinois State Police. The total may be increased by late reports and delayed deaths from accidents that occurred in December.

December traffic deaths reported total 170. This is a decrease of 31% from the 248 traffic fatalities reported in the same month in 1967.

## Heart Association Conducts Classes

A Cardiopulmonary Resuscitation workshop, sponsored by the Madison County Heart Association, was conducted last week at St. Elizabeth Hospital, with more than 60 hospital staff members participating in three special programs.

Arranged for the purpose of professional education, the instruction was provided registered nurses, licensed practical nurses and aids by Mrs. Marie Pardus, assistant head nurse in St. Elizabeth's Intensive Care Unit. The program concentrated on effective means of emergency measures for the relief of cardiopulmonary arrest or heart-lung arrest, and described in detail the techniques of artificial ventilation and artificial circulation.

## \$237,000 Earmarked For Depot Utilities

The U. S. Defense Department has appropriated \$1 million in new military construction funds for work at military installations in the Madison-St. Clair county and St. Louis area, including the Granite City Army Depot, Cong. Melvin Price (D-East St. Louis) announced at his office in Washington Friday.

Cong. Price said the new funds include \$237,000 for improvement of utilities at the Army Depot, \$329,000 for air conditioning work at Scott Air Force Base, and \$357,000 for utilities improvements at the Aeronautical Chart and Information Center at St. Louis.

The money is for work to be done during the 1970 fiscal year, Price said.

The authorization bill providing the money has been referred to the House and Senate Armed Services Committees for consideration, Cong. Price is a member of the House Armed Services Committee.

## Driver Education in Illinois Rated Near Top

Illinois ranks second among larger states in the nation in student participation in driver education, according to the Department of Public Safety.

While 102,000 students in high schools of Illinois are eligible for such training, only 130,000 participate.

Leading the states with student participation of 100,000 or more is Michigan, with 153,000 eligible students and 153,000 participating in the program.

Next to Illinois comes New York with 153,000 out of 193,000 eligible students, or 80% participation. Illinois expects a 100% participation within the next two years.

## The Morton's baby crawls all over their heating system!

Don't be alarmed. The Morton's are the most conscientious of parents. That, perhaps, is one reason they chose modern electric heat for their new home.

Their heating system consists of electric cable built into ceilings and floors. It's a wonderful new draft-free kind of heating, especially comforting to the age group that still navigates on all fours. Obedient thermostats in each room control the exact temperature called for.

Illinois Power customers in ever-increasing numbers are discovering why electric heat is the kind of comfort they'd prefer for the rest of their life.

The committee said the funds will be used for the use and Gold banquet to be held Feb. 27 at the school gym, charter renewals, subscriptions to Boy's Life, badges and trophy awards throughout the year.

Mrs. Jordan served refreshments to Mr. and Mrs. Donald Hartwick, Mrs. Bernice Myers and Mrs. Frances Plinn.

## Classes Move Into New Parkview Rooms

A four-classroom addition built at Parkview grade school during the fall was occupied today through transfers of classes within the building.

Folding partitions have not yet arrived. As a result, for time being, two classes will be assigned to each of two double rooms constructed at the southeast area of the school.

Kindergarten classes which have been meeting on a temporary basis at nearby Peace Lutheran Church made the transfer to the school today, the afternoon group reporting directly to Parkview.

The occupancy expected to be a topic of the Granite City school board at 7:30 p.m. Wednesday along with a verbal report by GCHS Principal Lawrence McCauley on the North Central Association, a report on board positions, a review of the status of financial plan, a computer science program and trip approvals.

Also on the agenda are a teacher federation request, information on sale of school bonds, for the honor and collection of personal property taxes.

**Two Held in Madison In Car Theft Probe**  
Two East St. Louis youths were held by Madison police today for investigation into the theft and stripping of an auto owned by a Madison resident. No charges had yet been filed this morning.

Police said the two youths, Mitchell Coleman, 18, and Otto Bowman, 18, were apprehended by East St. Louis officers late Saturday night, a short time after a car owned by Roy Mendenhall, 820 Lee avenue, was reported stolen from Third and State street, Madison, about 11:30 p.m.

East St. Louis police reported they came upon two youths about 11 p.m. at 18th and Morris streets in the act of stripping an auto later identified as Mendenhall's car. Both fled and police gave chase, firing a number of warning shots before overtaking the youths. The car was still drivable, police said.
